In this regard, it may be underlined that the subject matter was also placed on the agenda of Equivalence Committee (EC) of IBCC Meeting held on 03-04 July, 2013 at Islamabad for its information and perusal. The EC observed that the IBCC

Secretariat on its own may issue the Equivalence to First 2-years of 4-years' DHMS to HSSC (Homeopathy Group) under the directions of the M/o IPC, in view of the prevailing circumstances which include (i) rejection of erstwhile M/o Education's representation by the President of Pakistan and (ii) the deadlines given thereof, despite the fact that the recommendations of Wafaqi Mohtasib (dated 04.07.2009) did not contain any direction or binding on IBCC prior to inclusion of First 2-years of DHMS in the Curricula/Scheme of Studies by the Curriculum Wing of devolved M/o Education in 2009. Therefore, it was resolved that the Committee will stick to its earlier decision on the matter which is reproduced as under:

- i. The DHMS Particularly first 2-years course is neither approved by the Curriculum Wing, M/o Education nor included in the National Scheme of Studies.
- ii. The NCH is neither affiliated with any University of Pakistan for external examination nor its first 2 years of DHMS exam is conducted or evaluated by any Examination Board of Pakistan.

However, it is reiterated that the IBCC Secretariat under directions of M/o IPC will process cases of individual candidates for Equivalence of First 2-years of 4-years' DHMS to HSSC (Homeopathy Group) as per aforesaid laid down procedure accordingly.

Yours sincerely,

(Walayat Khan Khattak)
Deputy Director (Eq)

Mr. Shahzad Iqbal
Senior Joint Secretary (CC),
